

CHULA VISTA FIRE DEPARTMENT TRAINING DIVISION

Course Title: **Structural Collapse Specialist / Rescue Systems 2**

This is the DHS/FEMA US&R Structural Collapse Specialist (SCS) approved course; which meets or exceeds NFPA 1670 and 1006 (most current editions). SCS is an 8 day, 80 hour course which meets position description requirements for FEMA US&R Rescue Specialist, Officer, Manager and Safety Officer. SCS will prepare rescuers to recognizing hazards, using equipment and implementing techniques necessary to operate at structural collapse incidents involving all types of construction.

RS2 will prepare rescuers in recognizing hazards, using equipment and implementing techniques necessary to operate at structural collapse incidents involving all types of construction. The following three different rescue disciplines will be covered; Shoring; Breaking, Breaching & Burning; Lifting & Moving.

Flash drive with course material will be provided. A California State Fire Marshal certificate will be issued by State Fire Training (SFT) and can be accessed on your SFT profile. Maximum of 24 students per class and minimum of 20 students are needed 20 days prior to start date or it will be cancelled.

Category: Technical Rescue Course

Prerequisites: Rescue Systems 1, Confined Space Technician, Rope Rescue Technician and Trench Rescue or Trench Rescue Technician. **Copies of the listed prerequisite classes must be provided the first day of class to lead instructor.
